University of Illinois Urbana-Champaign

Master of Science in Business Analytics (MSBA), Gies College of Business

Expected May 2026

Champaign, IL

University of Cincinnati

B.S. Business Analytics (BS-BANA) | Certificate in Information Systems | GPA: 3.44/4.00

May 2025

Cincinnati, OH

SKILLS

Hard Skills: data analysis, requirements gathering, workflow/process analysis, functional requirements, KPI reporting, dashboarding, data validation, trend & cohort analysis

Tools: Python (Pandas, NumPy), SQL (joins, aggregates), Excel (PivotTables, VLOOKUP/XLOOKUP), Tableau, R, PowerPoint, Word

Methods: stakeholder interviews, scope support, change request tracking, issue/risk escalation, documentation, continuous process improvement

Systems: StarRezHousing, UC Flex, RStudio

EXPERIENCE

Graduate Building Operations Coordinator

Jan 2026 – Present

Graduate Building Operations Coordinator

Champaign, IL

- Gathered operational requirements from 3 stakeholder groups (event organizers, building staff, technical owners) and converted needs into checklists, timelines, and service requests.
- Managed issues and change requests during live operations; escalated risks and recorded resolutions in shift/incident reports to support compliance and process improvement.

University of Cincinnati Housing Department

Aug 2022 – May 2025

Desk Assistant

Cincinnati, OH

- Processed housing/service requests in 2 systems (StarRezHousing, UC Flex); quality-checked required fields and routed tickets to maintenance/IT with clear notes.
- Monitored ticket status through closeout, resolved data discrepancies, and communicated updates to stakeholders to maintain accurate records.

University of Cincinnati (Lindner College of Business)

Jul 2023 – May 2025

PACE Leader (Professionalism, Academics, Character and Engagement)

Cincinnati, OH

- Conducted structured 1:1 interviews to capture student requirements (goals, constraints) and created action plans with follow-up milestones across the semester lifecycle.
- Facilitated workshops and coordinated with faculty; prioritized student needs using feedback to strengthen program workflows and outcomes.

NKM Cable & Conductors Pvt. Ltd.

May 2025 – Aug 2025

Data Analyst

Bhopal, India

- Examined PICC production logs and built KPI summaries for 3 metrics (working hours, output, copper strip drop/usage); surfaced trends and outliers across runs.
- Confirmed metric definitions for consistency and produced process recommendations to address waste drivers and performance variation.

Agarwal Industries

May 2024 – Aug 2024

Manufacturing Data Analyst

Bhopal, India

- Performed variance analysis (planned vs actual) on BOM consumption across 262 raw materials for CTs and summarized scrap/cost drivers for management decisions.
- Assessed monthly trends for copper enamel wire and CRGO laminations; ran data quality checks and proposed improvements for continuous operations.

PROJECTS

AWG — New Item Program Impact Analysis (Client Practicum) | Python, SQL, Pandas

Aug 2025 – Dec 2025

- Defined project scope and success metrics with stakeholders; evaluated AIM, Autoship, and One Source using cohort analysis (6 matched store cohorts) and KPI reporting.
- Developed SQL joins/aggregations and Python pipelines for cleaning and quality checks; delivered recommendations and visuals to support rollout decisions and process improvement.

Spotify vs YouTube Cross-Platform Analytics | Tableau, Python

Aug 2025 – Dec 2025

- Cleaned and verified cross-platform data (2 platforms) and built a Tableau dashboard comparing engagement KPIs and trends for reporting.
- Condensed insights and assumptions into a stakeholder-ready deliverable to support decision-making and repeatable analysis.

LEADERSHIP

New Student Orientation Office

Jan 2023 – Aug 2023

Student Orientation Leader (SOL)

Cincinnati, OH

- Led orientation sessions and coordinated logistics for incoming students and families; handled questions and routed requests to the appropriate offices.
- Recorded issues and escalations and coordinated follow-up to ensure a smooth onboarding experience.
